

### **Impressive A Level Results Once Again from Varndean College Students**

Varndean College is delighted with the success of its students who have once again maintained an impressive Advanced Level record: the overall pass rate was 98% with 48% achieving A\*-B. 71% achieved A\*-C and two thirds of all subjects achieved a 100% pass rate. The AS pass rate was 86.4%.

College Principal, Dr Philip Harland, said: "Our students continue to demonstrate their hard work and commitment - they thoroughly deserve their success. I would also like to thank my staff for their dedication in achieving these excellent results. We must remember that behind these figures lie countless individual student success stories at all levels. Our A level success follows our equally impressive International Baccalaureate results in July. Once again Varndean College looks set to have outstanding value-added this year."

Varndean College is the only college designated by the Government to offer the International Baccalaureate Diploma in Brighton & Hove and is now in its sixth year of running this highly respected advanced level programme. The IBD allows students to continue an all-round education and the college this year achieved some of the best results in the UK with a pass rate of 100% - an average point score of 34.
