‘Flying Start’ tasks

Welcome to GCSE Photography
We look forward to seeing you in your first lesson
Before then you have 3 tasks

- 1 – **Research** online and find out what a SUNPRINT is and how it is made. Find 10 images and save them in a word/google doc.
- 2 – **Write** 5 sentences about SUNPRINTS – explain what they are and how one is made. Save in a word/google doc.
- 3 – **find and bring in 10 small objects**,
Flowers/leaves/jewellery/feathers/small glass or plastic objects/interesting shapes/keys/toys

**Bring your work and your 10 objects
with you to your first lesson**
