College Brighton & Hove

Travel and Tourism is one of the World's fastest growing and most important industries. Well trained professionals are needed to work in all aspects from holidays to travel to tourist attractions. Our courses cover many aspects of the industry and advise students of possible employment opportunities.

At level 3 we currently run the Eduqas Applied Diploma course which is equivalent to one A Level. This is assessed by 50% external examinations and 50% controlled assessments undertaken throughout the year.

At level 2 we run the BTEC First Award. This has an external examination and 3 coursework units.
