

Overall Masterplan

Proposed Masterplan

The masterplan proposes a new single storey entrance building in place of the current 'rooms 30-31', a 3 storey teaching block linked to the main building in place of the temporary classrooms, and a new sports hall to the south.

Masterplan Aims

- Replace temporary buildings
- Provide more digital, computing and open access spaces
- Improve the college entrance and admin hub
- Create sufficient space for growth
- Create more student social space
- Provide badly needed exam, and sports facilities
- Provide enhanced facilities for Dance, Drama, Music, Film and Media
- Provide enhanced facilities for Business and IT
- Consolidate departments that are spread out across the college
- Improve back of house functions such as toilets, site team facilities, parking and deliveries
