Dear Parents and Carers,

I hope this email finds you well.

For many of our students, examinations are well underway in what is a long examination season. Our Year 2 IB students, and Visual Arts students have already completed their examinations, but for many there are still a number of weeks to go. I do hope that all of our students get a chance to relax and enjoy at least a small part of the half term break next week. The students who have taken examinations have been impressive and really risen to their first public exam in many cases. Our library is open Monday to Wednesday next week from 10 am until 4 for any students who wish to study on site.

End of year 1 examinations will start on June 20th. Details of this process were sent out a few weeks ago and can be found in the updates section of our website [here](#). Students will receive details of their exam timetable on My Varndean shortly after half term. In the meantime please find the overall end of year exam timetable below.

Last night our year one and year two Dance students performed 'Breaking Boundaries' at the Old Market Theatre and it was fantastic to see so many of you there. It was a very heartwarming experience, the performances were of a professional level and it was an absolute delight to see our students on stage.

Today we have 57 A Level Law students at Brighton magistrates court partaking in a mock trial; competing for a prestigious trophy. Magistrates are judging the students on their submissions and legal argument. They were also treated to a court service careers talk by a Varndean ex-student, who had recently completed her law degree.

Our Summer Art exhibition, where we showcase the work of our second year Fine Art, Graphics, Photography, Textiles and 3D Design students, takes place from Thursday 9th June with a private view from 6:30 until 9pm. You are warmly invited to come along and see the exceptional talent and hardwork of our students with a refreshment in hand. (We'll be accepting loose change donations towards drinks). The exhibition runs to the public from Friday 10th to and including Tuesday 14th from 10-4pm. It will be our first exhibition for 3 years so it is well anticipated and long awaited.
