Course Start French IB September 2024

Bonjour tout le monde!

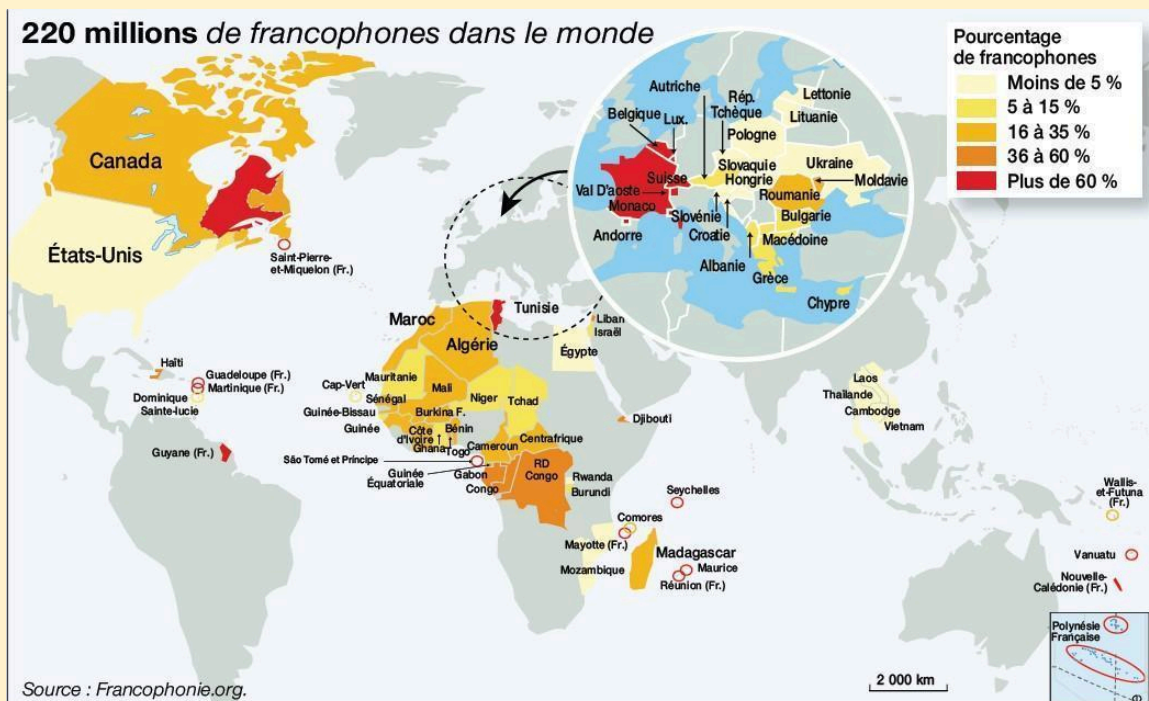

Here is what I would like you to do over the summer - it should take you about 3 hours, no more!

Choose a French speaking country (pick one on the map below), do some research about their culture, politics, traditions, beliefs, artists, famous landmarks....

Prepare a 2-minute presentation **in French** that you will share to a small group of classmates in your first French lesson. Make sure to include photos, songs, and facts in your slides.

I would recommend you use Google Slides instead of PowerPoint. Write your own notes. No copy and paste from Wikipédia please ☺

If you prefer, you could do a poster instead of a presentation, whatever you prefer!

Bonnes vacances et à très bientôt ! Stéphanie
